

WOODGREEN COMMUNITY SERVICES

TECH LENDING LIFELINE

Borrow a Tablet w/Internet Access for up to 8 weeks!

For OW recipients under 30 or 45+

With the COVID-19 situation, if you aren't online with a smartphone, tablet or computer you could be cut-off from family, friends, jobs, benefits and more.

WoodGreen has Samsung tablets with free internet access available to lend to eligible OW recipients as we help you access COVID-19 benefits and services you need to cope.

What do you get?

- A borrowed tablet with keyboard and case plus free mobile internet for up to 8 weeks.
- Training on email and apps so you can connect with loved ones, access information and benefits, apply for work . . . do anything you want online . . . the doors will be open to you.
- Help getting a phone, tablet or computer to keep (with funding from OW) plus Internet options
- Assessment and support helping you in all areas of life that might be affected by COVID-19
- Help accessing all benefits you are entitled to and your taxes can get done, if needed
- Access to other programs that might help you (like our many workshops and employment activities)

How does it work?

- Let your OW Case Worker know you are interested in the WoodGreen's WRAP Tech Lending Program.
- For more information, call WoodGreen at (416) 645-6000 ext. 1923 or email infoAP@woodgreen.org.

Am I eligible?

You must be an Ontario Works recipient up to age 29 or 45+. If you are 30-44, you can still contact WoodGreen to see if other programs could assist you.

This program is delivered at no cost to eligible clients.
